

Hungry?

California farmers and ranchers grow the food we eat every day.

See if you can fill the puzzle with examples.

What are your favorites?

ACROSS

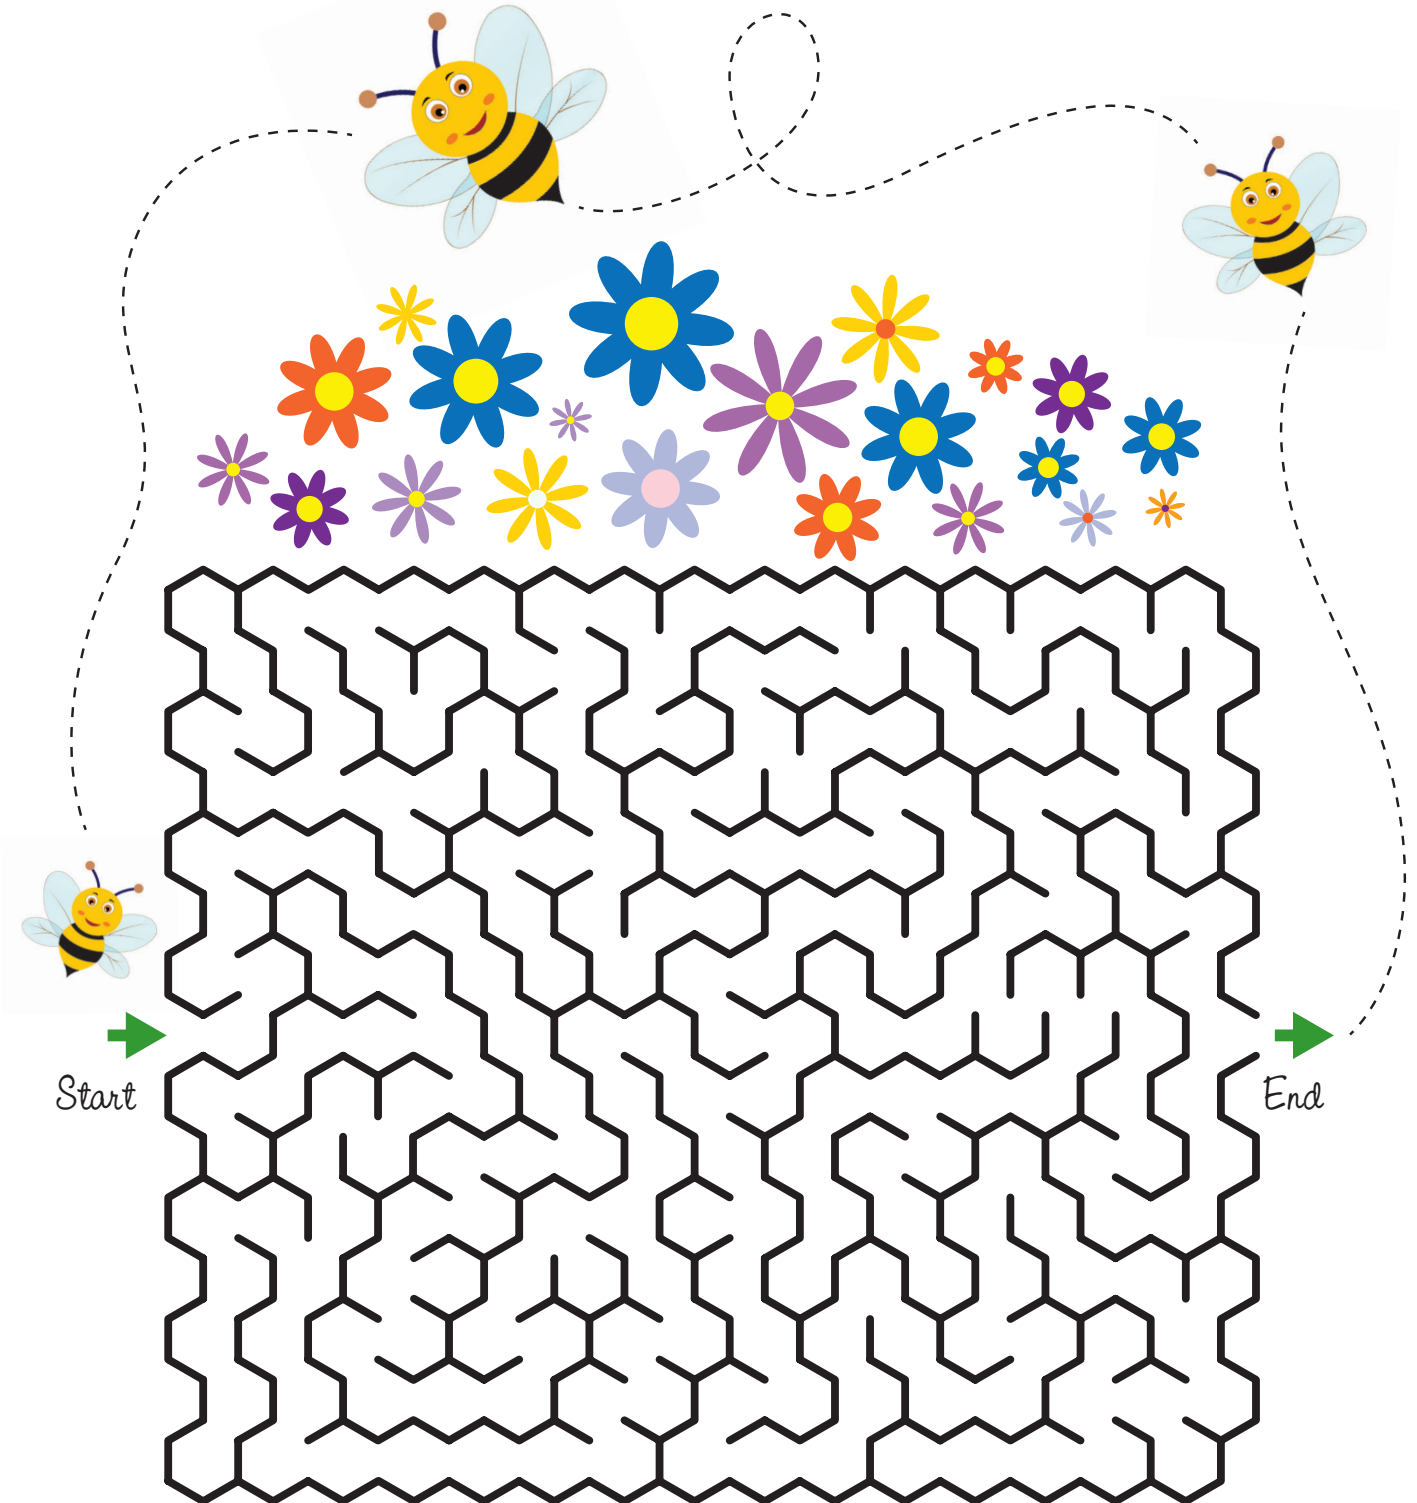

1. Sweet as a _____
3. Make me cry
4. Made from milk
6. Brain-shaped nut
7. Goes on a bun
10. White vegetable
12. Grows on a vine

DOWN

2. What bees make
5. Popular jam variety
8. Sushi ingredient
9. Purple vegetable
11. Fruit that rhymes with wig

Buzzing around

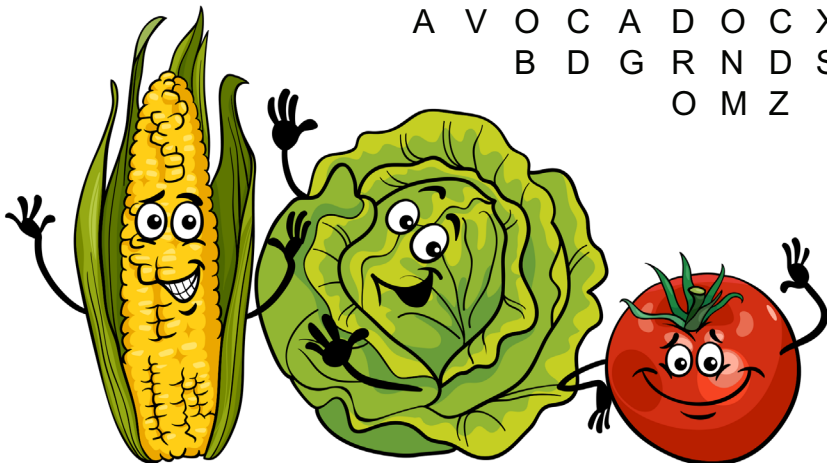

Help the honeybee find its way through the maze! Did you know honeybees are the only insects that produce food for humans?

Smile!

It's time for some word-searching fun.
Circle the words "farm" and "harvest" – plus all
the things that come from a farm.
